**NOTICE OF POSSIBLE QUORUM
TRI GENERAL IMPROVEMENT DISTRICT BOARD OF TRUSTEES**

Notice is hereby given that a quorum of the TRI General Improvement District Board of Trustees may be present at the Public Workshop to Discuss TRI General Improvement District's proposed creation of Process Wastewater Discharge Rates to be held on Thursday, February 22, 2023 at 2:00 pm at TRI General Improvement District Administrative Office, 440 USA Parkway, Suite 105, McCarran, NV 89437 and via Zoom.

Although board members constituting a quorum may be in attendance for the purpose of general education and not to conduct a meeting, deliberate toward a decision or take action on any matter over which the public body has supervision, control, jurisdiction or advisory power, this notice is provided in an abundance of caution given the potential for a quorum of the foregoing body to be present at this workshop.

This Notice of Possible Quorum for the Public Workshop is posted at the following locations: TRI General Improvement District Administrative Office (440 USA Parkway, Suite 440, McCarran), the TRI General Improvement District website, <http://tri-gid.org>, and the State of Nevada Public Notice Website, <https://notice.nv.gov>.
